### STATEMENT OF UNDERSTANDING - RULES AND REGULATIONS

#### PLEASE READ CAREFULLY

The massage therapist permit is not a license to operate a massage business. In order to legally perform a massage, you also need an off-premise massage business permit, or massage establishment permit, or be a bona-fide employee of the following:

1. Someone who possesses a massage establishment permit; or
2. Someone who possesses a Holistic Health Practitioner Business permit pursuant to Division 44; or
3. Someone who is a state licensed individual who is exempt pursuant to SDMC 33.3513, e.g., physicians, surgeons, chiropractors, physical therapists, etc. The exempt individual has to be physically present at the location while the massage is administered.

If you are a massage therapist working for any individual or business and you are not on their payroll because you are self-employed or treated as an independent contractor, then you are not considered an employee. If you are operating from a fixed location and not an employee of a licensee or exempt individual as stated above, you will need a massage establishment permit. A massage therapist cannot rent space. Any person desiring to engage in off-premise massage must also obtain an off-premise massage business permit. You cannot use an off-premise massage permit to operate from a fixed location.

#### Definitions:

*"Massage Therapist"* - means any person who gives or administers a massage to another person, for any form of consideration whatsoever.

*"Massage"* - means any method of pressure on, or friction against, or stroking, kneading, rubbing, tapping, pounding, vibrating, or stimulating the external parts of the human body with the hands or other parts of the body, with or without the aid of any mechanical or electrical apparatus or appliances, or with or without supplementary aids such as rubbing alcohol, liniments, antiseptics, oils, powder, creams, lotions, ointments or other similar preparations commonly used in this practice.

*"Off-Premise Massage Therapist Business"* - means the business of providing massage services by appointment at a location other than premises licensed as a *massage establishment*. It includes *massage therapists* who provide *off-premise massage* services and who are self-employed and/or who contract with or work for a business other than a massage establishment.

*"Massage Establishment"* - means a fixed place of business where any person engages in massage.

*"State-approved school"* - means any school or institution within the United States, which is approved by the state in which it resides, for the teaching of massage.

*"Particular anatomical areas"* - means the pubic region, human genitals, perineum, anal region, and the area of the female breast that includes the areola and the nipple.

The following is only a summary of the regulations. You are responsible for being familiar with and complying with all the rules and regulations related to massage. Copies of the Massage Ordinance and General Divisions for police regulated activities may be obtained from the City Clerk's office located at 202 C Street, 2<sup>nd</sup> Floor, Telephone # (619) 533-4000 or via the City's website: [www.sannet.gov/](http://www.sannet.gov/) (Department, City Clerk, Documents, Municipal Code), SDMC Chapter 3, Article 3, Division 35 and Divisions 1-5).

Please initial each line:

\_\_\_\_\_ 33.0105 - PERMIT DISPLAYED - Each licensee or permittee shall, at all times when requested, exhibit said license or permit to any peace officer or person doing business with the permittee. Any permittee engaged in business at a fixed location must also post a copy of their permit in a conspicuous place in the business.

\_\_\_\_\_ 33.0308 - RENEWAL RESPONSIBILITY - A permit shall be valid for a period of one year from the date of issuance. It is the responsibility of the permit holder to renew the permit no later than 10 calendar days after the expiration date. Failure to renew on time will result in penalty fees. If a renewal is not completed with all fees and penalties paid within 30 days after the permit expiration date, the permit expires and business operations, occupations, or activities allowed by the permit must cease and the permittee must begin the application process as a new applicant. The Police Department is not required to send a renewal notice and the failure to send such notice shall not affect the validity of any late fee or permit expiration.

\_\_\_\_\_ 33.0312 - CHANGE OF EMPLOYERS - Massage Therapists and Massage Trainees must notify the Chief of Police in writing of any change of employment within 15 calendar days of changing to the new employer.

If a trainee does not obtain a massage therapist or off-premise massage therapist permit within two years, the trainee permit becomes null and void. A trainee permit may not be extended or renewed. The Chief of Police may require proof that a trainee is receiving ongoing instruction during the two-year period. The employer must be on the premises when the trainee provides off-premise massage services. The trainee must comply with all other regulations applicable to massage therapists.

\_\_\_\_\_ 33.3513 - EMPLOYEES OF EXEMPT INDIVIDUALS - Any person conducting massage for an exempted class individual must possess a massage therapist permit and shall comply with all massage regulations. A massage technician employed by an exempted class individual must work under the direction and control of that individual who must be physically present at the location where the massage is being administered. A massage therapist cannot rent office space or workspace at an exempt individual's location. The massage therapist must obtain a massage establishment permit.

\_\_\_\_\_ 33.3514 (b)-RENEWAL FOR MASSAGE THERAPIST PERMIT - In order to renew a massage therapist or off-premise massage therapist business permit, the permittee must provide proof of twelve hours of continuing education in massage therapy. The services must be described in readily understandable language. No services other than those posted are allowed.
